Broadband

## Welcome...

Welcome to the November issue of allpay Broadband's monthly e-newsletter, keeping you up to date with all the latest broadband news.

## Coming to a community near you...

We're pleased to announce that **Preston-on-Wye and Staunton-on-Wye are now live!** It took us a little longer than expected but these two villages can now start benefiting from our service, receiving up to 10Mb.

Remember if you're in the coverage area and want allpay Broadband, call us on 0844 557 8322 or email [sales@allpaybroadband.com](mailto:sales@allpaybroadband.com)

## allpay Broadband out and about...

As always, this month we've been out and about meeting lots of you and hearing all about your broadband woes. We're hoping we'll be able to get you all up to speed and receiving a great broadband connection soon.

### Events we attended this month included:

#### Allensmore WI

We joined the WI ladies in Allensmore on 10<sup>th</sup> November where we were able to explain a bit about how allpay Broadband could help them. And they taught us a few things too! It was a thoroughly enjoyable evening.

#### High Town stall, Hereford

Some of you may remember we were in High Town in September. Well, we had so much fun, we decided to do it again and held a stand in High Town on 16<sup>th</sup> November. It was a bit chilly but we enjoyed meeting all of those who came to say hello and it was a very successful day.

#### The New Inn in Staunton-on-Wye and The Yew Tree in Preston-on-Wye

With Staunton-on-Wye and Preston-on-Wye going live this month we wanted to get out and spread the word in both villages.

On 14<sup>th</sup> November we held a drop in session in Staunton-on-Wye at The New Inn. The evening gave the

opportunity for those who live locally to drop by and learn more about our service.

We also held a drop in session for those in Preston-on-Wye. On 25<sup>th</sup> November we were on hand at The Yew Tree Inn to talk to those who wanted to know more.

Both events were a success and we were kept busy. It's good to know our service is benefiting so many of you.

### **Burghill Golf Club**

**We've been working closely with Burghill Golf Club to ensure local residents in Burghill get the best service around.** And on 17<sup>th</sup> November we gave resident golfers a live demo of our service. With free Wi-Fi access available they could see for themselves what our service can do. Overall it was a good evening and it seems that most people were impressed and surprised at what we can offer.

We're hoping to provide permanent free Wi-Fi at Burghill Golf course in the near future so watch this space!

### **Welcome to the team...**

**We'd like to welcome Paul Clayton to the Broadband team.** He'll be joining us at the beginning of December as Broadband Coordinator and will be responsible for the operations and network side of allpay Broadband.

Born and raised in Manchester, Paul moved to Hereford in 2009. He's got lots of experience in IT so we're sure he'll keep the networks up to speed. Like most men Paul's into his sport, particularly golf and football and he even played semi-professional rugby for Sale RUFC at the age of 16.

**Welcome to the team Paul!**

### **allpay Broadband in the spotlight...**

**Keep your eye out for a big announcement from the city.** We've got some big news...

### **Registering your interest...**

**We are continually working to provide a reliable broadband service to more areas of Herefordshire.**

Please encourage friends and family to register their interest with our service. If you are a landowner and think you could help allpay Broadband come to your community call us on 0844 557 8322 or email [sales@allpaybroadband.com](mailto:sales@allpaybroadband.com) or click [here](#) if you would like to know more about how it works.

### **Refer a friend and claim your £10 Amazon voucher**

**Don't forget our great offer! If you are an allpay Broadband customer with friends in our broadband coverage areas, ask them to sign up to our service and we will send you a £10 Amazon voucher.**

Your friends simply fill in their details on the 'register your interest' page at [www.allpaybroadband.com](http://www.allpaybroadband.com) and include your broadband customer number in the 'Surf with your Friends'
