

# Sharing Faith: What can I do? 5 little steps...

## 1 Some people to pray for

Many Christians in our diocese say: *"I long for my friends, family, neighbours to know God's love for them"*. And... one in five people in our communities say that they would like to know more about Jesus or about Christian faith! Which 5 people will you pray for—regularly, by name, to explore some more, or come to faith? Pray for yourself too, for opportunities to share God's love with the people around you.

I/we could do that!

## 2 Something to say

Many of us have a special moment in our lives when we felt God specially close or when we felt God carry us through a tough time. Many of our friends, families, neighbours, colleagues, the people we meet, are interested in hearing more. Look out for opportunities when its natural to talk about what God means to you in your life.

I/we could do that!

## 3 Something to give

Reading the Bible—sometimes a bible given as a gift—is a key influence on many people. Does your church have Gospels or other resources for locals and visitors to take away? What about having a Gospel or booklet to give away, with you, just in case, where ever you are? *Christmas and other special times of the year are great opportunities for invitations, thought-provoking give-aways, and great conversations.*

I/we could do that!

## 4 An invitation to offer

Attending a service was important in many people's journey to faith. What existing / new opportunities do you have through the year to invite people—when they can experience, explore, enquire, get to know some Christians and find out about God's love & following Jesus Christ?

I/we could do that!

## 5 Someone new to get to know

A third of people and 45% of young people say they don't know or aren't sure they know a Christian. Who could you spend time and energy getting to know?

I/we could do that!

Anglicans are great at 'walking the walk' but we often quake at the thought of 'talking the talk'! Over six sessions we will discover how to put words around our faith and what it means to each of us, personally. This module isn't designed to make you the next great evangelist, but to strengthen your confidence when talking with friends and family about being a Christian.

This is available as an accredited module towards the Framework for Christian Learning Certificate. Contact John Daniels or Jacky Sewell on 01584 871084 for more information.
